Sir:

In response to the Office Action of February 25, 2002, please amend the application as follows:

IN THE CLAIMS:

Please amend the claims as follows:

Claim 1. (Twice Amended) A 3-phase traction motor comprising a high voltage winding, wherein said winding includes insulation comprising at least two semiconducting layers, each layer providing a substantially equipotential surface, and solid insulation between said semiconducting layers.
